

## Conway One Design Class Compulsory Equipment

The following shall be carried at all times when racing:

Anchor	12lb (4.5kg) Anchor and not less than 10 fathoms (60ft) of suitable chain or warp.
Lifejackets:	A life preserver to the current British Standard for each member of crew on board.
Flares	A minimum of two red handheld flares OR two smoke flares OR a single LED flare. All pyrotechnic flares to be in current date.
Sounding	A lead line, or bamboo cane not exceeding 5/8 ins diameter, which shall be the only permitted means of sounding.
Oar	One nine foot sweep or two paddles with a minimum length of 4ft 6ins
Outboard	It is recommended that, for safety reasons, an outboard motor shall be carried on the Ten Feet Bank series of races, Races to Llandudno and Races to and from Beaumaris
Compass	A magnetic compass.
Baling	Suitable baling equipment (such as a bucket), in addition to any pump.
Communication	A fully charged VHF hand-held radio capable of communicating with the Race Officer and guard boat(s).
